Forest of
Blue Village
Besties

I still think back to that day.

Why did he choose me?

There are many humans in this world.

They are foolish and make stupid

decisions, yet what...

...did he see in me?

But I've always avoided...

...what was in front of me.

What's that?

Where am I?

Hey, if you
know why we're
here?

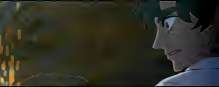

I've been
thinking this for
a while now, but
you really need to
listen to respect
and talk to your
elders

You can't
always be with
Miss Kusan

What's with the
mass of gold here?

Did someone
collect it?

...No, it's embedded
in the stone.

This is a natural
gold mine.

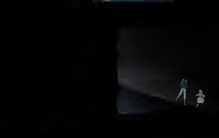

...THERE'S A
GIGANTIC GOLDMINE
IN THE FOREST OF BLUE
MIRAGE BEASTS!

THIS IS IT!
THIS IS WHAT I'VE
BEEN LOOKING FOR!

MR. RALTON?!

MR. RALTON!!

**KAIRAK?!
WHAT
HAPPENED?!**

**WHAT WAS
THAT MONSTER
JUST NOW? WHAT
DID IT DO TO
MR. RALTON?!**

*There was a
glint within that
monster's heart.*

*A single bullet
flicked for gl.*

**WHY DID YOU
JUST WATCH AND
LET IT HAPPEN?!**

**IF SOMEONE IS
IN DANGER, YOU
SHOULD HELP
THEM!**

LADY REANA.

I believe you told you noticed and honestly, this really wasn't my job to watch him quite a while now.

not helping a human in Samaru,

and teaching him how to live like a human...

is the same as rejecting the very existence of Lord Kuroki.

Maybe take that into consideration before making such remarks.

...What?!

*As for the Dragons:
Their ability to think and feel
has been removed, and hence a
role only is waiting.*

*The strong
become
the weak*

They do not realize
the calamity they
bring to humanity.

It is not something we
should interfere with.

They do not care.

The memory and
soul of that hunter

will become part of
the magic beads, which
will become his form

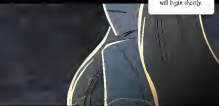

This is the only way a
midge beetle born as
an adult can survive.

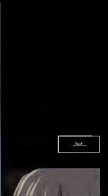

I already knew that his emotions
and actions were completely
different to that of humans,

Good absorption
will begin shortly.

but still...

Once it begins
going through their
bodies, no action.

Fan...

I'm sorry, Kairak.

wrapped in a cloak of guilt and despair...
